Pam:

I have uploaded the water monitoring data for Gordon Creek 2,7, and 8 for the 3rd Quarter 2003. I was a little surprised to see that we had some of the 2nd Quarter 2003 data still in the pipeline even though it had been submitted and apparently accepted several months ago. I am assuming it was a glitch in the system. If you have any questions regarding the water monitoring data, please give me a call.

Thanks,
Chris
